Re: Mid Year Report for Allied Van Lines, Inc. Political Action Committee  
Identification #: C00229187

Dear Mr. Gibson:

We apologize for the delay in submitting the July Mid Year Report. During the last several months the company's previous CFO/CIO, and PAC Treasurer, Dan Avramovich, was reassigned to a sister company. Apparently the correspondence from your office was not properly forwarded to the Allied Naperville office. Additionally, the administrative assistant familiar with the PAC reporting was on medical leave and just recently returned.

We will improve cross training and documentation to avoid a recurrence in the future. Additionally, we would request that future correspondence to addressed to Bradley J. McGuire our new CFO/CIO and PAC Treasurer.

Thank you for your understanding.

Yours very truly,

E. J. Zitnik  
Director of Accounting Services
